

Richard's Ramble! As we enter another new year, we tend to think back over the one that has just closed. 2016 included the passing of many celebrities, such as David Bowie, Alan Rickman and Victoria Wood. It included fighting and wars in the Middle East, with the accompanying refugee crisis. Then there were the surprises of Brexit and the election of Donald Trump as the US President. All of this adds up to a lot of turbulence that has given rise to a lot of anxiety within society.

Thinking about this, I was reminded of the prayer of Moses in Exodus 33:15, 'Then Moses said to him, "If your Presence does not go with us, do not send us up from here."' "

As we face the future and enter another uncertain year, it is the presence of God with us that will enable us to endure all that is ahead. Without the presence of God, we are hopeless, but with the presence of God we can achieve much and we can rest in his peace knowing that he has all things in hand. I would encourage you to make that your prayer – 'Lord, let your presence go with us as we enter 2017'. *God bless, Richard*

Vision Day - Sunday 29th January
 A reflection on all that God would do among us in the coming year. Finishing with a shared lunch together.

& Lunch!

FREEDOM IN CHRIST course starts on **Thursday 19th January** at St Mary's Church Hall, 7:15-9:15pm. The Freedom in Christ course first helps people grasp all that happened the moment they became Christians: who we are in Christ; the truth of God's unconditional love; why there is no condemnation; why we don't have to languish in cycles of sin, negative thinking and hopelessness. But good teaching on its own is not enough. Although the key to freedom is knowing the truth (John 8:32), simply telling people the truth doesn't mean that they really know it. This 13 week course is open to everyone. Please let Angie know if you are wanting to attend to ensure enough course materials are available on the night.
