RICHARD'S RAMBLE! This month brings us once more around to Easter. Often at this time of the year I am carrying the burden of the Passion Play, but this year is a year off from that event. Nevertheless, it is the Passion of Jesus that will occupy our thinking over the next couple of weeks. The journey begins on Palm Sunday as we follow Jesus and the crowds into Jerusalem and cry out 'Hosanna! Blessed is he who comes in the name of the Lord.' Then as we proceed through the week we follow the discussions of Jesus in the Temple as he outwits the scribes, Pharisees and teachers of the law and as we see their angst towards him rising. We sit with the disciples at the Last Supper – that final Passover together – inaugurating the New Covenant. We find ourselves in the torchlight of the garden – the drowsiness and then the hubbub as the soldiers come and arrest Jesus. We watch the trial unfold and we hear the words: 'Behold the man!'. Then we follow his battered and bruised body along the Via Dolorosa and watch in horror as he is nailed to the cross, and as the last breaths are released from his torn body. But then hope arises as we come to the day of Resurrection! He has triumphed over sin and death. He has defeated the principalities and powers. He has made a way where there was no way and we are now in Christ Jesus because of these events. This Easter contemplate the saviour and remember to thank him for all that he has done. God Bless. Richard.

The Christian Motorcyclists' Association UK (CMA UK) registered charity N^o 1080911.
CMA UK started in 1983 and is part of **CMA International**.

Our mission is to reach all bikers whether or not they ride and then help them to integrate into a local congregation. We do not seek to replace the Church but to serve, be involved in and assist the Church in any way we can. Membership is open to Christians and members feel that the CMA is a major part of God's calling in their lives. We attend biker events, marshalling etc and running our cafe.

At rallies our Holy Joe's Cafe is often open 24 hours a day all weekend. It's a place for bikers to relax, chat about the good and the bad times, knowing that they will be listened to and have a shoulder to cry on (literally at times). We see a great need at these rallies; Christ will touch and change many lives in Holy Joe's. Our work takes us into a much forgotten area of ministry and at times it can be very challenging, so we do need and value your prayers.
