### Richard's Ramble:

Easter has come and gone. We are now in the waiting period before the coming of the Spirit at Pentecost. For the disciples, the first forty days of this period were spent with Jesus in his resurrected form as he taught them more about the kingdom of God (Acts 1:3). The last ten days were spent in anticipation, not quite knowing what was going to happen when the Holy Spirit came. This remains so. We never quite know what is going to happen when the Holy Spirit turns up!

During this time between Easter and Pentecost, I encourage us all, like the disciples, to spend time with Jesus. Walk with him; talk

with him; get to know him and appreciate him some more. Also, be ready for what the Holy Spirit would do in you and through you. He is given to bring new life, empowering for mission, transformation into the image of Christ and many other such things. As we embrace his work in our lives we cannot help but see change and fruitfulness.

God Bless, Richard

We are members of two groups now the local branch has closed:

### FCM Fellowship of Christian Motorcyclists

Started by a Vicar who could not do ride outs on a Sunday for some reason! A few ride-outs each year. Those with motorcycles or just an interest in them. You can even attend events in a car.

### **Shield of Faith MM (motorcycle ministry)**

This is our own independent group, and our objectives are:

- · To propagate the Christian Gospel.
- To provide for motorcyclists and others, teaching in the Christian Faith as revealed by the Bible.
- · Provide a fellowship for its members and others.
- · Support the motorcycling community.
- · Support the community in general.

to now, we haven't found anything suitable.

We could also look at tying in with BCC so these premises could be used for the youth, band practice meetings etc?

### **IGNITION BIKER COFFEE BAR**

We have negotiated the use of the coffee bar at a Church in Anlaby Common on the fourth Saturday of the month. We will be offering free coffee, tea and a bacon or sausage sarnie for bikers. We had a trial run last week and it went well.

We hope to be enjoyable, place of safety and a place where questions of faith can be asked and for us to just present a positive Christian witness.

If you wish to know anything more, please ask John, Paul or Tony.
