

# February 2017 Edition BCC News!

**Richard's Ramble!** None of us know quite where we are going to end up in life. When we are young, we have hopes and dreams concerning how life will pan out, but we can never be certain and all our planning does not pre-empt the 'curve-balls' that life tends to throw up. When I started out in my career I had no real idea of where it would take me. I just worked as hard as I could, taking one day at a time, and tried to enjoy the season I was in. This included marriage, children and the founding of a church. However, as time went on, and unforeseen situations occurred, I found myself being propelled to Beverley. Now, 20 years Later, I still could not have predicted that journey or all that has happened since.

And we know that  
in **ALL** things  
**GOD** works for the good of  
those who **LOVE** him,  
who have been called  
according to **his purpose.**  
Romans 8:28

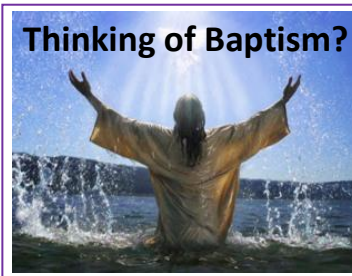

I am looking forward to the year ahead, and have made various plans, but, once more, who knows what will occur to change those plans or to take me in a new direction in some area of my life. Someone once said 'constant change is here to stay', or as Tony Miller expresses it, 'Everything God transitions, he brings to greater glory'.

As this year unfolds, I would encourage you to embrace whatever happens, whether good or bad, and allow it to shape both the journey and who you are becoming in Christ. If we fight it, we just become bitter and angry; if we embrace it, there is glory on the other side. *God bless, Richard*

Please speak to Richard or Sean if you would like to be considered for baptism.

## Help needed to put together new booklet.

You will probably have seen the Our Stories booklet, if not grab one from the notice table and have a read, this is the second edition. Instead of producing a 3rd edition I want to do something a bit different. The new booklet will be more about our church and will have in it articles about all the different activities we do, what has happened over the last year and the next year's plans. It will also have in some testimonies: maybe about 4 life changing testimonies and then 4 stories about what God has done in people's lives over the last year. So far I have no name for the booklet, so ideas are needed please. My starting idea is 'This is Us'.

If you are willing to write a testimony/experience to go in the booklet please talk to me; also if you have a favourite scripture which you would like including with

your reasons about why it means so much to you. Also talk to me if you have any ideas of what should be in it, anything that would make it something you would give out to friends and family to show them who we are as a church family.

I need to move quickly as I want it to be ready for the Festival of Life in June. The plan is to produce a new booklet each year, around Easter, keeping it fresh and up to date. Thank you, Angie.
