Richards Ramble:

During the run up to Easter, we have spent a lot of time considering the events leading up to the crucifixion. We have heard Jesus trade differing opinions with the scribes and pharisees, and we have seen the level of antipathy that has been directed towards him from those same people. We have also heard the crowds cheering him into Jerusalem and then, a few days later, shouting "Crucify Him". We have met the betrayer and the disciples who all fled. We have also seen the women at the tomb, faithful until the end. And then, when everyone thought it was all over, we have seen the resurrection! We now enter the time running up to Pentecost when, in anticipation, the disciples were gathered listening to Jesus teaching them about the kingdom of God (Acts 1:3). During these weeks, may we each, like the disciples, consider how we can be witnesses to the death and resurrection of Jesus and may empower us by his Holy Spirit to do just that. he empower us by his Holy Spirit to do just that. God bless. **Richard**

The Pre-Marriage Course

We really enjoyed sharing the pre-marriage course with Dan and Charl, who are getting married in September. Over 5 weeks, we shared a weekly meal (Charl produced some delicious desserts!) and then discussed privately different themes from the video produced by Holy Trinity Brompton Church. Charl particularly enjoyed the discussion time with Dan in their own private space. She also enjoyed hearing different people's stories which she found really helpful. Dan thought this course 'helped him gain more knowledge about their relationship, whilst reinforcing much of his existing knowledge about them as a couple.' They both really enjoyed the course and would highly recommend it to others, as Dan put it: "investing in your relationship is so important". Thank you, Dan and Charl for the privilege to share this course with you. We enjoyed it too! **Andrew and Maxine**

כל המציל נפש אחת, כאילו הציל עולם ומלואו

Thank you to those who supported the event on Sunday 24th March. For those who were unable to come, the Hebrew Talmudic expression [seen here inscribed in the ring given to Oskar Schindler by the Jews he saved] means 'He who saves one life, it is as though he saved the entire world.'
