

## Richards Ramble:

August brings with it 'the halcyon days of summer'. The term 'halcyon days' refers to a calm period in one's life, often in the summer of one's childhood. That is how I remember most of my summers after school had broken up and I had six weeks to play out with my friends or go on holiday. The word 'halcyon' comes from ancient Greek and is used in the Bible to mean rest or quiet. It is similar to the Hebrew word shalom which brings with it an overall sense of peace and wellbeing.

For each one of us, whatever we do over the next month or so, may God give us all rest and quiet to recover our sense of wellbeing and peace.

God bless,

Richard

## Rest&Quiet

### RETREAT

Weekend of 11,12,13 August

Rosie's retreat is rest-filled, with a gentle flow of prayer, play, food and sharing. The Granary is right next to the River Hull, where you can go swimming or kayaking. It is a beautiful and inspiring setting for an art retreat. Last year we drew with inks and grasses by the river while the sun set. There is plenty of time for relaxed conversation, walks, playing, arts and sitting quietly. If you need a nap we don't mind!

Our theme this year is Flow; so suited to the whole atmosphere and setting by a river. What is in your flow? Come and relax and refresh yourself with God's Spirit flowing in this beautiful place.

We bring our own food, food to share and are respectful of special diets. The Granary is at the end of a dirt road past the Leven Airfield. The gate code is: 1058Enter Rosie's is the barn conversion behind Linley Hill Farm.

Glenda Gibson and Donna Drouin of This Beautiful Dust lead the retreat with Rosie, who adds music and poetry.
