

Richards Ramble:

A number of times in the recent past, I have heard people speaking about 'our community' in reference to the church. This is a real thrill for me as it reflects a sense of unity – of oneness - where we see ourselves as part of something bigger than ourselves. We are not just a random bunch of people attending a religious service but a vibrant community of God's people brought together for purpose in relationship with one another.

One of the problems in society as a whole is lack of community. Many people find themselves in isolation with no sense of belonging. The church was, from the beginning, designed to be different. It is where God's people share their lives, their vision, their hopes and their dreams. We are also a journeying community, on our way to become all that Jesus has called us to be individually and collectively. I would encourage each one of us to celebrate the community God has put us in whilst encouraging others to come and join us.

God bless,

Richard

Advance Notice

Planning is underway for future invitational events with an Easter Quiz Night scheduled for Friday 31st March. Watch this space...

'Reflections for LENT' has been created to help us journey together as a body of people, thinking on things above, and guiding us deeper into prayer.

The booklet offers a weekly reading, question, reflection, action, 'Going Deeper', and prayer.

Monthly Craft Stall.

As part of a New Year discussion, the younger members of BCC would like to hold a craft stall to raise money for Richard to take to our friends and Pastors on his next trip to India.

The stall will be available at the back of the hall on:

26th February, 26th March, and 23rd April.

(We'll see how we get on before setting more dates.)

If you are 'crafty' and would like to contribute any of your creations to the stall (jams, knits, cards...), please let Carolyn know. If you are not so 'crafty' please support the stall by buying something or donate.

We will update you on our totals in future new sheets!

Thank you in anticipation. Carolyn and the 'Team' 😊
