

Richards Ramble:

This has not been a good couple of months for Carolyn and I. First we had my op and the news that I can't drive for six months. Then we both had covid, from which we are still recovering. Then, Carolyn had a rather nasty car accident. Then, she had a puncture in the middle of nowhere in the replacement car. One way or another we have felt a little battered and bruised. Despite all that, we know that God has been with us. He was with me on the operating table. He was with us through covid. He was with Carolyn in the car when she crashed so that she was able to walk away with just bruises. He was with her when she had a puncture, providing an angel-policeman to rescue her.

The reality is that there is nothing a child of God can go through without God. We may not always feel his presence, but we know he is there. The promise of scripture is that, during times of testing, he will provide a way through (1 Corinthians 10:13), and that is our testimony.

God bless, **Richard**

Care Homes Outreach

Alison and myself along with representatives from other churches in Beverley have the opportunity and privilege to share God's word with the residents in

Beverley care homes. It's usually a short service with a bible reading which is normally seasonal and lots of singing especially at Figham care home which the residents thoroughly enjoy and even if they are able dance! Lindum care home is different again as Alison and myself find ourselves having a more supportive role with the emphasis on communion with the elements being given with the church members from the Minster.

If you'd like to join us, please speak with Alison or myself.

Family Faith Fun

Back to its roots on the Lincolnshire Showground over the August bank holiday weekend, we are excited to gather together as one family for a time of Celebration.

The event will include everything there is to love about a summer gathering, with dynamic worship, inspirational teaching, encounters with the Holy Spirit and opportunities to go deeper in our faith. All alongside great kids and youth programmes, activities for the whole family and space to be together in Church Community. We're excited to step into all that God has for us and hope that you can join us.

BLUE SAXOPHONE

I am reborn
as the life that emerges
from the chrysalis,
its skin still soft and drowsy,
the huddled, humming notes
slowly come into consciousness,
to form their own shape and sound,
that springs from the belly of an azure saxophone
out through the bell of its throat,
golden acorns cluster in the base,
jostle up the U and flick beads and husks
then stream together into a melody
that chatters, skitters, lollops, sprints,
brims over like children let out of school.
a sweetwater spring that bubbles and blips,
up, out and away
into vertical waves of liquid blue.
