

Richards Ramble:

As we enter March, we find ourselves in the run up to Easter. This year, as we work our way through the last three chapters of Luke's gospel, we will be taking a slightly longer look at the events of Holy Week. We will begin on 10th March by considering the meal that Jesus gave us. Then, on 18th, we will examine the events of the arrest and first trials of Jesus. Following that, on 25th we will gaze upon the trial and crucifixion of Jesus. Finally, on Easter (Sunday 31st March) we will rejoice together in the resurrection.

These episodes are the most important events in the history of the world. My hope is that, as we take a little more time to consider them, we will be filled afresh with awe and wonder at all that God has done for us through Jesus Christ our Lord. God bless. **Richard**
