

## Richards Ramble:

October is a month of transition. It may begin sunny, but is usually cold by the end of the month as it borders on November. It is also the month when thoughts start to turn towards Christmas and when gardens go to sleep in preparation for winter. Such transitions are important although not always comfortable.

Life also has its seasons of transition, especially as we move from one age bracket to another (being over sixty feels very different from being fifty something). The key for all of us is not to fight the transitions but to embrace them.

In the same way, our faith can go through transitions. It may begin as a vibrant and passionate response to the love of God. Then, as we mature, it may become deeper and more considered, especially as we learn to apply our faith in all the areas of our life. This is part of God's maturing and refining work in our lives.

Wherever you are in this process, embrace the transition and move on into the next phase by God's grace. God bless,

### Coming in 2024 The Marriage Course.

We will be following the Holy Trinity Brompton's Course.

This is a seven week course starting in February 2024. The Marriage Course is for couples who are seeking to strengthen their relationship. Some couples do the course to intentionally invest in their relationship, others are looking to address more

specific challenges. Either way, the course offers essential tools and practical ideas to help you build a relationship that lasts a lifetime.

The Marriage Course is based on Christian principles but designed for all couples with or without a church background.

For more details, please see Andrew and Maxine, Sean and Natalie who will be facilitating the course. Numbers are limited, so book your place early!

### Prayer & Praise Service at St Michaels Cherry Burton

7:00-8:00pm

2nd Sunday of each month

All are very welcome to join in this small and relaxed service

### Care Home Outreach

Twice each month, usually on Monday afternoons, Jakki and Alison visit care homes as part of Beverley Churches Together. With friends from other Beverley churches, we hold short church services at Lindum House and Figham House. The service at Lindum is more formal and traditional

and includes us sharing in Communion. The service at Figham is much more informal and consists mostly of singing. After we have finished our hymn singing, Bible reading and short prayer time at Figham, we stay to do even more singing - lots of old-time favourites such as "Daisy, Daisy" and "It's a Long Way to Tipperary". It's lovely how familiar hymns and songs seem to bring some of the residents to life, with them joining in singing the words from memory, and some even getting up to dance! Please do speak to Jakki Small or Alison Shirley if you would like to be a part of these care home services.
