**Richard's Ramble:** We live in days of uncertainty. We live in days when those we look to for leadership are, instead, consumed by vested interest. We live in days in which we face economic, political, ecological and social challenges. We live in days when predicting the future nationally and globally is anybody's guess. In amongst all of this uncertainty, as Christians, there are a few things that remain certain: we have a God who loves us, who is working out his purposes in the earth; we have a Saviour who has set us free from sin and guilt and who has given us an eternal hope; we have the presence of the Holy Spirit with us to guide us and strengthen us each day; we have the Word of God to help shape our beliefs, values and behaviours; and we have one another – the church – where God has set us for mutual love and support (even though it is, at times, imperfect).

Few in the world can boast these things. Instead they look out on a sea of uncertainty and have nowhere to put their trust. Hebrews 6:19-20 tells us, 'This hope we have as an anchor of the soul, a hope both sure and steadfast and one which enters within the veil, where Jesus has entered as a forerunner for us, having become a high priest forever according to the order of Melchizedek.'

This month, hold onto the anchor which is our hope in God.

God bless. Richard

## Street Angels

### Who are we?

We are volunteers that give our time on Saturday nights until the early hours of Sunday mornings and on special events. We

support and care for those who have become vulnerable at night providing them with information and assistance; dispensing free bottled water, safe footwear and, where necessary, first aid. We walk around Beverley town centre in hi-vis jackets, ready to care for the vulnerable. We pick up empty bottles, discarded glasses and tin cans that could be used in a negative way later in the night. We clear up broken glass which could become embedded in bare feet. We listen and talk to all who want to spend time with us. Since we started in July 2012, Beverley Street Angels have served Beverley with 4103 of volunteer hours clocking up between 8 -10,000 steps each shift! We have handed out 2226 pairs of flip flops and disposed of 1488 glass bottles among other items.

**Why do we do it?** Well, actions speak louder than words, we believe that God wants us to live in a safe community and this work supports us in doing that. Thank you to those that pray for us, please continue to pray for our safety and those we serve. And for more volunteers! For more information. visit:

# CITY PRAISE & PRAYER

TIME TO STAND TOGETHER

**Hull Minster**

**Saturday 9<sup>th</sup> February 2019 7-10pm**

The Hull and Area Interdenominational Prayer Gathering invites you to join an evening of Praise, Worship and Prayer for the City, surrounding villages and the nation, featuring David Hathaway and the Reverend Huw Friday

For further information: 01482 875890

Admission free but an offering with be taken

David is known for leading huge crusades across the former communist countries, in Israel and around Europe, as well as for his popular television broadcasts. In recent years, however, David has felt a heavy burden to pray for revival in the UK, and to pray that our nation would live up to the special calling that God has for us.

During and after the Brexit campaign, David has been one of the nation's loudest voices calling churches to pray, and he has organised several large, national gatherings in London where thousands have come together from all over the nation to pray.

David believed that God wanted to do something special in Hull, something that from there would go on to affect the nation. David feels that God is asking him to help mobilise a larger, regional prayer gathering, which will take place in Hull Minster on Saturday February 9<sup>th</sup> at 7pm.
