Richard's Ramble: Sometimes, in the midst of all I am doing, I can become weary. This tiredness is not through lack of sleep particularly, but through lack of space. Whilst I try to build downtime into my routine, at times unavoidable things encroach on that space and that does not always leave sufficient recovery time. I do try to guard my Friday (day off), and generally succeed, but unfortunately, the rest of the world does not work on a Sunday to Thursday basis and things crop up that have to be done on a Friday. I am sure we all have such challenges in the busyness of modern life.

At such times of tiredness, two scriptures stand out for me. The first is Psalm 23, where we see the shepherd caring for his sheep: 'he restores my soul'. Sometimes we need to have our soul restored in order to function and that can happen as we take time to wait upon the Lord. The second scripture is Matthew 11:28: 'Come unto me all who are weary and burdened and I will give you rest'. This is a promise of God that, once more, the rest of God that restores our wellbeing is with Jesus. If you are tired, weary or burdened, come to the Lord; wait upon him; rest in Him, and see if he will not restore your soul.

God bless
Richard

India

Once more, this month will see me jet off to India – I will be away from 8th to 18th March. As usual, I do not know what I will be doing when I am there but my itinerary soon becomes filled up with

teaching, preaching, praying for the sick, making connections and travelling. It is always a joy to be with the Indian Christians – they are passionate for God and want to see him move in their lives. On the downside, much of the organisation is last minute and requires complete flexibility which not every western visitor is prepared for.

Nevertheless, the grace of God is there in all circumstances. Please think of and pray for me as I travel out on 8th, arriving in Hyderabad on 9th. Also, as I return on the 18th, arriving in

England on 19th. Also, pray that God will use me to bless and strengthen the church there and that he will keep me safe from sickness. Thanks
