**Richard's Ramble:** For me, summer is a time of renewal. It is a time when things quieten down a little and I am able to think about what I am doing, both personally, and with respect to the church. It enables me to refocus so that, when I return after One Event, I come with renewed energy to the task. It also enables me to catch up with things that have been put on one side in the busyness of the year.

One of the challenges of leadership is to stay fresh. When things get busy, it is easy to find yourself on a treadmill - just putting one step in front of another. That is not sustainable for either the leader or the church over the long term. But September always brings fresh impetus and this month is no exception as we approach our delayed **Life After Life** evening with Paul Bell, which gives us an opportunity to invite our unchurched friends along. I would encourage all of us to consider what we are doing in the church and in the kingdom. Perhaps this is a time for many to refocus, to take on something new, or even to lay something down. My prayer is that, together, we will move forward, and will see the work of God increase amongst us.

God bless  
Richard

Is there a better way to live?

If there's a God why do bad things happen?

### The programme is as follows:

- Week 1: Is there more to life than this?
- Week 2: Did Jesus really exist?
- Week 3: Is there life after death?
- Week 4: Is there a spiritual world out there?
- Week 5: Is there a better way to live?
- Week 6: What's the choice?

Anyone interested in learning about the basics of the Christian faith, whatever their position is welcome to join us. This is a course for your enquiry and personal discovery - there is no expectation of any kind of religious commitment. The decisions you make about your life are entirely up to you.

We have a simple meal together (let us know any dietary requirements), listen to a short talk on the theme for the week and then have a discussion. You may ask as many questions or as few as you want. We may not be able to answer all your questions but we'll do our best!

There is no cost, the course is fully funded by the church and you are our guests.

If you can't attend every session it's no problem - come when you can. Just let us know beforehand so we can arrange the food.

Is there any truth in the Easter Story?
